Exceptional Durability | Enhanced Productivity | Site-to-Site Portability

## WHEEL-MOUNTED EQUIPMENT

### EQUIPMENT AND CHASSIS THAT WORK AS HARD AS YOU DO.

In your business, you rely heavily on your equipment. If it's not up and running, you're not making money. It's that simple. That's why you need dependable, durable, productive equipment at work on your job site. And that's exactly what the factory-built equipment and chassis from KPI-JCI and Astec Mobile Screens are designed to do.

Maximize your up-time and productivity — and protect your investment — with durable, factory-built chassis and equipment from KPI-JCI and Astec Mobile Screens.

Because KPI-JCI and Astec Mobile Screens may use in its catalog & literature, field photographs of its products which may have been modified by the owners, products furnished by KPI-JCI and Astec Mobile Screens may not necessarily be as illustrated therein. Also continuous design progress makes it necessary that specifications be subject to change without notice. All sales of the products of KPI-JCI and Astec Mobile Screens are subject to the provisions of its standard warranty. KPI-JCI and Astec Mobile Screens does not warrant or represent that its products meet any federal, state, or local statutes, codes, ordinances, rules, standards or other regulations, including OSHA and MSHAGATOR, covering safety, pollution, electrical, wiring, etc. Compliance with these statutes and regulations is the responsibility of the user and will be dependent upon the area and the use to which the product is put by the user. In some photographs, guards may have been removed for illustrative purposes only. This equipment should not be operated without all guards attached in their normal position. Placement of guards and other safety equipment is often dependent upon the area and the use to which the product is put. A safety study should be made by the user of the application, and, if required, additional guards, warning signs and other safety devices should be installed by the user, wherever appropriate before operating the products.

NOTE: SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE

THE FACTORY-BUILT CHASSIS AND WHEEL-MOUNTED EQUIPMENT FROM KPI-JCI AND ASTEC MOBILE SCREENS ARE DESIGNED TO PROVIDE DURABILITY, SITE-TO-SITE PORTABILITY, UNMATCHED PRODUCTIVITY AND MAXIMUM RESALE VALUE.

**WHEEL-MOUNTED EQUIPMENT**

Our wheel-mounted equipment includes our industry-leading crushing, screening, material handling and washing equipment.

**Heavy production is the order of the day.**

Our largest crushers and screens can handle any job you throw at them. And when they're mounted on a chassis built to the same rigorous standards, they'll last longer and run stronger than anything on the market

**PRODUCTION**  
UP TO 1200 TPH

**Quality and efficiency matters.**

Our factory-built chassis are engineered, manufactured and welded by the same team that designs and builds our industry-leading crushers and screens. This ensures that the chassis can stand up to the torque and pressures these machines dish out. It also means they are designed to minimize spillage and cleanup time.

**DURABLE CHASSIS**  
FACTORY BUILT

**Resale price is important.**

The quality and durability of a factory-built chassis ensures you get the highest possible price when it comes time to trade it in. Your equipment is an investment — get the peace of mind that can only come from a factory-built chassis.

**GOOD INVESTMENT**  
HIGH RESALE VALUE

*Maximize your up-time and productivity — and protect your investment — with durable, factory-built chassis and equipment from KPI-JCI and Astec Mobile Screens.*

**FOUNDED ON TOUGHNESS.**

The expert professionals at KPI-JCI and Astec Mobile Screens are at the heart of every piece of machinery we manufacture. After decades in the business, we've taken a product leadership position based on the quality, reliability and productivity of our crushing, screening, material handling and other equipment.

That leadership is on display here. The innovative new technologies in these products combine to provide the most profitable and productive systems available today. All with the toughness and reliability you've come to expect from KPI-JCI and Astec Mobile Screens.

**TOUGH THEN. TOUGHER NOW.**
