

2019 Mobile (Track) & High Frequency Screens School

October 22nd – October 24th | Astec Mobile Screens | Sterling, Illinois

Course Description

This three-day course will educate attendees on how to safely prepare, operate, and maintain Astec Mobile Screens equipment. Participants will receive hands-on training, working with full-scale high frequency screens, ProSizer® RAP processing plants and track-mounted screening plants from Astec Mobile Screens.

Early Bird Registration: September 27th

Tuition fee:

Rate: \$399 per person. Early birds that register before September 27th the rate charged is \$299.

Billing

Dealers with credit accounts with the factory may use a Purchase Order number (PO) for billing. Customers attending classes will be billed through the servicing dealer or credit card for those that do not have a dealer. If credit card billing is preferred, please make a note in the registration form with contact info so the hosting factory can reach you for credit card information.

Location

The conference portion of this training is being held at:

Westwood Fitness & Sports Center

1998 Westwood Drive
Sterling, IL 61081
East Side Building #3

Hotel Accommodations

You must make your hotel accommodations independently of your school reservation. Please make your hotel reservations as soon as possible and make sure to announce you are with the Astec Mobile Screens (AMS) PRO Training School upon registration to assure the discounted rate. Online bookings will not offer you the discounted rate, you must call the hotel directly. We have a block of rooms with reduced rates at the following hotels:

Holiday Inn Express & Suites

301 East 2nd Street
Rock Falls, IL 61071
(815)622-4000

Country Inn & Suites

2106 1st Ave
Rock Falls, IL 61071
(815)625-3200

Days Inn – Rock Falls 2105 1st Ave

Rock Falls, IL 61071

(815)626-5500

Transportation:

There is not an airport shuttle offered by these hotels. Rental cars are readily available at the airports you fly into. Transportation to-and-from Astec Mobile Screens on the training days will be your responsibility; please plan accordingly.

Meals:

Breakfast will be served at 7:00 each morning at the training site (Tuesday, Wednesday, and Thursday). Lunch, snacks and assorted beverages will be provided throughout the training. There will also be an Astec Mobile Screens, Inc. hosted dinner and social opportunity on Wednesday following training. Please refer to the agenda for further information.

Students must be present through the end of the day Thursday to receive their training certificate.

The agenda is listed below.
