

# 2019 Mobile (Track) Crushing & Screening School

August 9<sup>th</sup> | Johnson Crushers International | Eugene, Oregon

## Course Description

This one-day course will educate attendees on the set-up, operation, and maintenance of JCI track-mounted equipment- including cone and screen plants- and their related control systems (JMG and KCS). Participants will also do extensive schematic reading on both hydraulic and electrical systems. In addition, attendees will participate in troubleshooting and resolving fault scenarios in both the classroom and manufacturing facility.

Early Bird Registration: July 12<sup>th</sup>

## Tuition fee:

Rate: \$100 per person. Early birds that register before July 12<sup>th</sup> the rate charged is \$75.

## Billing

Dealers with credit accounts with the factory may use a Purchase Order number (PO) for billing. Customers attending classes will be billed through the servicing dealer or credit card for those that do not have a dealer. If credit card billing is preferred, please make a note in the registration form with contact info so the hosting factory can reach you for credit card information.

## Location

This training is being held at:

**Johnson Crushers International**  
86470 Franklin Boulevard  
Springfield, OR 97477

---

## Hotel Accommodations

You must make your hotel accommodations independently of your school reservation. Be sure to announce you are with the Johnson Crushers International (JCI) PRO Training School upon registration to assure the discounted rate. Online bookings will not offer you the discounted rate, you must call the hotel directly.

**Meals:**

Breakfast will be served starting at 7:00 each morning. Lunches, assorted beverages and snacks will also be provided throughout the training. There will also be a JCI-hosted dinner and social opportunity following training. Please refer to the agenda for further information. **Students must be present through the end of the day to receive their training certificate.**

**The agenda is listed below.**
