Stationary Processing Solutions
Kolberg-Pioneer, Inc. (KPI), Johnson Crushers International, Inc. (JCI) and Astec Mobile Screens, Inc. have led the way as global manufacturers for the aggregate, mining, industrial, construction and recycling industries for the past 90 years. As a member of the Astec Industries family, KPI-JCI and Astec Mobile Screens set ourselves apart by designing, manufacturing and selling the most innovative, productive, reliable and safe equipment for the industries we serve, coupled with unparalleled customer service.

We take great pride in knowing our wide range of product lines provide comprehensive solutions that no competitor can match. To that end, we are pleased to offer a complete line of stationary crushing, screening, conveying and washing and classifying components ideal for a diverse range of applications. Our stationary processing solutions are designed to the highest standards, guaranteed and supported throughout the lifespan of the machine by our global market channels.

Our dedication to the customer is not just in manufacturing the industry’s best equipment, but understanding that every wasted minute impacts the bottom line. This is why our team provides fast, precise parts and service support thanks to an integrated relationship with sales, engineering, manufacturing and dealer personnel. Producers can expect unparalleled customer service that is demonstrated every day through our continuous devotion to meeting the needs of our customers.
Providing Solutions

Our team of mechanical, civil and electrical engineers draw upon nearly a century of experience designing, building and manufacturing the world’s highest quality equipment. We deliver creative and accurate complete turnkey systems on time and on budget with product mix flexibility, high production yield and the lowest total operational costs. Following installation, you’ll receive the support of the most committed parts and service staff in the industry to assist you 24/7. Let us turn your concept into reality.

World Class Engineering Experience
- Structural
- Mechanical
- Concrete
- Electrical
- Automation
- Site Design and Layout
- Equipment Selection
- General Arrangement Drawings
- AggFlow
- Application
- AutoCAD / 3D Modeling

Field Services
- Electrical Controls and Wiring
- Millwright Services
- Structural Erection
- Concrete Foundations
- Mechanical Piping
- Excavations

World Class Project Management
- Project Planning
- Complete Turn-Key Capital Budget
- Estimating and Pricing
- Analysis
- Finalized Construction Scheduling
- Operation Metrics
- Plant Optimization
- Purchasing
- Fabrication Management
- Field Service Management
- Quality Control
- MSHA trained

Additional Services
- Permitting
- Reserve Evaluation
- Feasibility studies
- Due diligence
Crushing

- Jaw Crushers
- Cone Crushers
- Horizontal Shaft Impact Crushers
- Vertical Shaft Impactors

Kodiak® Cone Crusher
Screening

- Feeder
- Heavy-Duty Scalper
- Incline Screens
- Horizontal Screens
- Combo Screens
- Multi-Frequency Screens
- High Frequency Screens
- Industrial Screens

Combo™ Screen
Washing & Classifying

- Fine Material Washers
- Coarse Material Washers
- Log Washers
- Blademills
- Classifying Tanks
- Fines Recovery

Kolberg™ Fine Material Washer
Material Handling

- Feed Systems
- Tunnel Reclaim Conveyors
- Overland Conveyors
- Transfer/Jump Conveyors
- Stationary Conveyors
- Radial Stacking Conveyors
- Track Conveyors
- SuperStacker® Telescoping Radial Stacker
- Truck Unloaders
- Tripper Conveyor Systems
- Railcar and Barge Loading and Unloading Systems

SuperStacker® Telescoping Radial Stacker
Because Kolberg-Pioneer, Inc., Johnson Crushers International, Inc. and Astec Mobile Screens, Inc. may use in their catalog and literature, field photographs of their products which may have been modified by the owners, products furnished by Kolberg-Pioneer, Inc., Johnson Crushers International, Inc. and Astec Mobile Screens, Inc. may not necessarily be as illustrated therein. Also continuous design progress makes it necessary that specifications be subject to change without notice. All sales of the products of Kolberg-Pioneer, Inc., Johnson Crushers International, Inc. and Astec Mobile Screens, Inc. are subject to the provisions of their standard warranty. Kolberg-Pioneer, Inc., Johnson Crushers International, Inc. and Astec Mobile Screens, Inc. do not warrant or represent that their products meet any federal, state, or local statutes, codes, ordinances, rules, standards or other regulations, including OSHA and MSHA, covering safety, pollution, electrical wiring, etc. Compliance with these statutes and regulations is the responsibility of the user and will be dependent upon the area and the use to which the product is put by the user. In some photographs, guards may have been removed for illustrative purposes only. This equipment should not be operated without all guards attached in their normal position. Placement of guards and other safety equipment is often dependent upon the area and how the product is used. A safety study should be made by the user of the application, and, if required additional guards, warning signs and other safety devices should be installed by the user, wherever appropriate before operating the products.

NOTE: SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE
